Dear Sir/Madam

### **A453 Construction Works – Clifton Village access route**

You should have previously received our Green Lane update, and if you came to see our team at the last 'meet the A453 team' session you will be aware that things are moving at pace at Green Lane junction. The letter also touched on the access route switch into and out of Clifton Village.

We are writing to make you aware that we anticipate this Traffic switch to happen during the night of 30 March weather permitting.

The route will move from its current alignment (the original entrance road) onto the original exit road. This will free up the area on the A453 to the west of Clifton Village Green to construct the new access road into the village. The new route will still be managed under traffic signals and signage to ensure travellers are aware of the access location for the new temporary turning into the village from the A453.

This junction will still operate as a left in / left out only junction. Please ensure you adhere to this for your own safety and that of other drivers on the road.

If you have any questions regarding the information detailed above or would like to speak to a member of our liaison team, please contact Claire Brough (Mon-Wed) [cbrough@laingorourke.com](mailto:cbrough@laingorourke.com) 01322 738122, Luke Mitchell (Wed-Fri) [lmitchell@laingorourke.com](mailto:lmitchell@laingorourke.com) or our night manager, Peter Byrne on 07823 362 474. Alternatively please contact the Highways Agency's Customer Contact Centre (formally HAIL) on 0300 123 5000.

Yours faithfully,

A453 Widening Site Team,  
Urban Section

#### **Keep in touch with the A453 Widening Scheme**

- Meet the A453 Team surgeries, next sessions: [Wednesday 8 April](#) and [Wednesday 20 May](#).
- Join the A453 newsletter mailing list to keep up to date with monthly developments and upcoming work. Contact Luke Mitchell – [lmitchell@laingorourke.com](mailto:lmitchell@laingorourke.com)
- For weekly information about traffic management along the A453, visit the A453 Journey Impact page on the Highways Agency's website; [www.highways.gov.uk](http://www.highways.gov.uk), search A453.
