Dear Sir/Madam

A453 Construction Works – Road Closure at Farnborough Junction

We are writing to inform you of approximately two weeks of night time works (8pm-5am) commencing Monday 30 March. We shall be undertaking various works inclusive of drainage installation, kerb installation, street lighting and safety barrier installation works to the west of Farnborough junction towards Silverdale roundabout.

From 30 March to 15 April there will be night time lane closures both east and westbound from 8pm in the evening until 5am the following morning. Travelling through this area heading into and out of Nottingham will be possible but under lane restrictions, please travel with care through these road works.

On the following three dates however, there will be a **full road closure** from Farnborough roundabout to Silverdale roundabout:

Tuesday 31 March from 8pm through till 5am Wednesday 1 April
Thursday 9 March from 8pm through till 5am Friday 10 April
Friday 10 March from 8pm through till 5am Saturday 11 April

The official diversion route into and out of Clifton at this location will be via A453 / M1 Junction 24 to Junction 25 / A52 and return.

As the work detailed above will be carried out through the night you may experience some noise disturbance. Our usual mitigation measures will be in place and please use the contact details below should you experience any problems.

If you have any questions regarding the information detailed above or would like to speak to a member of our liaison team, please contact Claire Brough (Mon-Wed) cbrough@laingorourke.com 01322 738122, Luke Mitchell (Wed-Fri) lmitchell@laingorourke.com or our night manager, Peter Byrne on 07823 362 474. Alternatively please contact the Highways Agency's Customer Contact Centre (formally HAIL) on 0300 123 5000.

Yours faithfully,

A453 Widening Site Team,
Urban Section
